Maggie graduated summa cum laude from the University of Akron with a BA in English and minor in classical studies. She received her MLIS from Kent State and has been working as a librarian for seven years. Maggie loves gardening, camping and her boisterous family, which consists of a spouse, a boy, a girl, a dog, 5 cats, and 9 chickens.

**Kristen Wetzel** is a Reference Librarian at the Wood County District Public Library. Kristin began working at the Wood County District Public Library in 1996 in the Children's Place before joining the Adult Services team in 2007. Kristin leads a number of adult programs at WCDPL, including the Coffee Talk fiction book club, the Page to Table Cookbook Club, and she created the BG Talks series of programs.

**Lauren Lemmon** has recently transitioned to the Adult Services and Information Manager at Marysville Public Library. Prior to that, she was the Assistant Director/Fiscal Officer at Ida Rupp Public Library. She is enjoying getting back to the service desk and helping patrons on a daily basis. She has earned her Ohio Public Librarian Certification and holds a MLIS from Clarion University of Pennsylvania. When she isn't working at the library, she enjoys spending time with her four wonderful grandchildren.

**Michele Raine** has been a fiction reader since falling under the spell of Nancy Drew and Cherry Ames. After pursuing degrees in American Studies and Library Science, she returned to Ohio in 2011 to work at the Wood County District Public Library as Assistant Director where she selects nonfiction materials and works to share her passion for literary fiction, public libraries, and library administration.

**Allison Dugan** is a Michigan native who obtained her MLIS from Wayne State University before heading down I-75 to become the social media librarian at the Dayton Metro Library. She spends a lot of time on Facebook at work and none whatsoever otherwise (tip: post about Mr. Roger's birthday). In her free time, she can be found either outside with her dog or inside playing one of two PC games (despite owning many). She loves audiobooks, graphic novels, and somehow made it to 2017 without a smartphone.
