REPORT FOR INFORMATION

Professional Development Committee (PDC)

The PDC met via Zoom on May 26. Normally at this meeting the 3 big standalone conferences for 2021 would be made. Instead we pivoted to the current situation for 2020 events. Members were informed that the New Director Workshops and the Ballot Workshops would be held via Zoom this year; all events other than Convention and the three standalone conferences have been cancelled. Since that meeting the decision to cancel the Convention and the three standalone conferences has been made. The next meeting is scheduled for the week of July 20 where they will discuss 2021 events. They want to have a discussion about the whether the 3 conferences that were planned for 2020 are appropriate for 2021 or if new subjects should be explored.

On-Demand Education Committee (ODEC)

The committee cancelled their March 25 meeting. Their next meeting (via Zoom) is scheduled for July 15.

Keynote Speakers:

- Jason Reynolds is the only speaker we are committed to for 2021. The contract dictates that we will lose our deposit of \$3,750 if we don't reschedule his appearance. Also, going forward his fees are in the area of \$15,000 so it is a deal for us to have him join us in Toledo in 2021.
- Safiya Noble and Nancy Pearl have indicated they are open to coming to the Convention in 2021. We do not have to make that decision at this time.
