Census 2020

- The State Library of Ohio’s Ohio Library Census Committee is working to disseminate up-to-date information about the Census to library staff all over Ohio. The State Library wants to make sure all Ohio libraries and library staff have the resources they need to be prepared for Census programming, outreach, and patron queries. The Census Resource for Libraries web page provides a wealth of information and links including a Census timeline, dispelling Census myths, marketing and promotional tools, and potential partners. The page will be updated regularly as more information and resources come out. Contact a member of the committee in your region with questions or to share information.
  - As a reminder, field data collection work for Census 2020 will now end on September 30, 2020.

Ohio Digital Library

- In mid-March, ODL enabled the opportunity for Ohioans to take advantage of the Overdrive Instant Digital Card. A user can sign up with his/her phone number and gain quick access to e-content via ODL. Once libraries re-open, those users that signed up via the Instant Digital Card will be directed to their local library to fill out a physical library card. Since this feature was enabled for ODL, more than 47,500 registrations have taken place.
- Curious about what’s being checked out? Take a look at the real-time checkouts and holds.

Ohio Ready to Read

- As the ongoing pandemic continues to limit opportunities for families with young children, remember that the Day By Day Ohio Family Literacy Calendar website at DayByDayOH.org features a perpetual calendar with songs, activities, book suggestions, and videos for every day of the year. Day By Day Ohio offers resources to further develop early literacy skills and improve school readiness.
- Day By Day Ohio, a service of the State Library of Ohio in collaboration with Ohio Ready to Read, also includes literacy and health information and an Ohio public library locator map. It is available anytime, anywhere and requires just internet access and a computer, smartphone, or mobile device.
- Recognizing that our revision of the Day By Day calendar code would be helpful for other states interested in adopting the calendar, the State Library IT team has made the revised code available to any other interested state. As an additional service, our IT team created an implementation of the code that is “genericized” – with state-specific resources/links removed and replaced by placeholders or with content that is appropriate to any state.

Summer Library Program/Summer Reading Program
- The 2020 Ohio Summer Library Program evaluation survey is somewhat different and a bit shorter this year. Ohio public libraries are asked to indicate if they offered a Summer Library Program in 2020 and are strongly encouraged to submit SLP participation numbers (if collected) and to indicate whether the library participated in the Summer Food Service Program. Other questions are optional, including program/event attendance and information about new activities and strategies developed for 2020.
- All Ohio public libraries are asked to complete the Ohio Summer Library Program evaluation survey at the end of their Summer Library Program and not later than October 5. The survey link is www.surveymonkey.com/r/slpeval2020.
- The 2021 Collaborative Summer Library Program manual will be provided to all Ohio public libraries online, via access code on the CSLP website. The CSLP manual is made available to every Ohio public library building and is fully supported by federal LSTA funds administered by the State Library of Ohio. Libraries requiring CSLP manuals in paper or USB flash drive may purchase these formats from the CSLP catalog this fall. Such purchases are at the library’s discretion and are not covered by LSTA funds. The online manual will include the complete program manual, all artwork and downloadable resources, and many extra resources not available in the static manual formats.
- The 2021 CSLP slogan will be “Tails and Tales.” The program will feature artwork by Salina Yoon on the theme of animals.
- Contact Janet Ingraham Dwyer at jdwyer@library.ohio.gov with any questions about SLP or if we can assist you in any way. We can help you find resources, ideas, and support as you continue to adjust your SLP and other programs and services to meet safety and social distancing protocols, and as you review your outcomes and begin considering planning for summer 2021.

Transforming Teen Services
- The Young Adult Library Services Association (YALSA) is leading a nationwide training initiative to support and elevate teen services in libraries and other learning environments. Transforming Teen Services integrates connected learning, computational thinking, and youth development to help librarians build responsive services for and with teens.
- A national cohort includes teams of trainers from 46 states, Washington DC, and the Northern Mariana Islands. Ohio’s team is: Kristin Wilson, Loudonville Public Library; Steve Moser, Dayton Metro Library; and Janet Ingraham Dwyer, State Library of Ohio.
- Planned trainings across Ohio were interrupted by the public health emergency. Ohio’s team is developing a six-hour online Transforming Teen Services course, with the first cohort ready to begin in early September. Future cohort opportunities will be posted to the Library Youth Services and Ohio Teen Librarians listservs. Contact Janet at jdwyer@library.ohio.gov with questions.
- Transforming Teen Services prioritizes the value of services for and with teens, the uniqueness of each community, and the primacy of equity. Learn more: www.ala.org/yalsa/train-trainer-project
