Gov. DeWine and First Lady Fran DeWine Celebrate Ohio Library Week

The Ohio Library Council's annual Legislative Day at the Statehouse is typically a busy, one-day event when library directors, trustees, and supporters visit with lawmakers in Columbus. This year, it was a full week, April 5-9, and those visits happened virtually.

State Senators To Speak During Library Trustee Town Halls

Each spring, the OLC typically hosts dinner meetings around the state for public library trustees and administrators. Since we are unable to have an in-person event at this time, we have invited special guests from the Ohio General Assembly to participate in virtual Library Trustee Town Halls this May.

Our guest legislators will share some insight from the Ohio Senate and answer your questions.

Please plan to attend one of the four virtual meetings: **May 10 | May 13 | May 20 | May 24**

Each Trustee Town Hall will be held from 6-7 p.m.
