

Loudonville Public Library

The Loudonville Public Library has created a new exhibition, *Legendary Creatures: Where Once Upon A Time Meets Reality*. This exhibition showcases the origin and history of some of today's most popular mythical creatures. Unicorns, mermaids, fairies, and dragons have been in folklore and writings for thousands of years. Wolves have been demonized in everything from children's fairytales to films. All ages will be enthralled with the life-sized creatures, information, and the level of detail in each vignette. This exhibit will be open May 18 – July 18, 2020. The library will be augmenting *Legendary Creatures* with an array of special programs for all ages.

The Opening Event for this exhibit is Monday, May 18 from 7:00-8:30 pm. Enjoy a variety of hors d'oeuvres and the up-close magic of Magic Nate, which begins at 7:30 pm, while you stroll through *Legendary Creatures*.

This exhibition was a year in the making and the library is hoping to make components of this exhibit available for use by other libraries in the future.
