Food Insecurity During a Pandemic

A flyer for "Helpful Harvest" featuring a background of fresh vegetables including carrots, a lemon slice, tomatoes, and a red bell pepper. The text on the flyer reads: "Struggling to buy enough groceries, but uncomfortable going to a food pantry?" followed by "November 26, 2019 5:00—7:00 p.m." and "HELPFUL HARVEST OHIO". Below this is the address: "First Church of Christ, 1166 Kauffman Avenue, Fairborn, OH 45324" and the website "www.helpfulharvestfairborn.org". A red banner at the bottom says "Free groceries for pickup, at convenient locations near you." In the bottom right corner, there is a logo for "FAIRBORN FISH FOOD PANTRY" featuring a fish icon.

Home Collection Request

Library staff will prepare a collection of materials for you according to your needs, including specific reading or age levels, subject areas, or general browsing interests.

"I love home collections," says Leanne, long-time Beavercreek Community Library patron. "I am waiting on one right now to take on a long car ride to keep my kids occupied. They love coming into the library, but they also love being surprised with what shows up in their home collection."

Thank you, Leanne! We love helping you add variety to your reading.

In case you didn't know, you can request your own personalized collection with us! All you have to do is visit: greenelibrary.info and fill out our home collection form. After a week, you can pick up our collection either by going inside or using our curbside pickup services.
