Did you utilize the OLC website?

Yes

Did you create any new partnerships or initiatives?

No

Please list Goals and Objectives for next year:

Goal 1: Inventory Gadget Gallery items at OLC offices and decommission outdated items

Goal 2: Develop Technology Training Webinar for staff/patron device training

Goal 3: Sponsor Gadget Gallery at Convention and Expo 2022

Goal 4: Submit sponsored programs to Convention and Expo and stand alone conferences.

Additional Notes/Comments

We surveyed our members and tried to involve their feedback in our offerings for proposals and Gadget gallery. 2021 Gadget Gallery was very successful and one of our busier years despite COVID-19. We borrowed the e-Health Kit from NEO-RLS but over the course of the year, Holly Klinger left her position with the system so we did have to troubleshoot a few items on our own.

The virtual Gadget Gallery presentation at the Innovations Conference was fun too. Even for a smaller crowd, it gave us an idea of what folks were interested in and help inform our decisions for the i- person gallery.
