

Grafton-Midview Public Library, located in Lorain County, has current permanent employment openings to fill before heading into our busy summer season. If you are interested in serving the public and offering the best customer service, we may have a position for you. We are now accepting applications for the following:

Library Associate II, Youth Services

Part-Time, 20 hours per week –Two positions available

We are seeking a candidate with experience in education to serve as an Associate II in the Youth Services Department. Qualified candidates have a bachelor's degree in education and children's literacy and are familiar with library reference methods and procedures. We are looking for an outgoing, creative person who enjoys working with families to promote reading. The successful candidates will provide storytime classes and programming for babies up to pre-teens.

Knowledgeable with Ohio's Every Child Ready to Read initiative is a plus. Must work a flexible schedule, including evenings and weekends.

Salary: Commensurate with experience. Please submit an application, resume, and supplemental questionnaire for this position.

Visit our website at www.gmplibrary.org for employment application and other required documents.
