

Grafton-Midview Public Library, located in Lorain County, has current permanent employment openings to fill before heading into our busy summer season. If you are interested in serving the public and offering the best customer service, we may have a position for you. We are now accepting applications for the following:

**Youth Services Manager**

**Full-Time, 37.5-hour work week with excellent benefits.**

The successful candidate will bring leadership, creativity, and innovation to this position. As a manager, you develop, administer and coordinate youth services while performing managerial duties related to library operations, staff, outreach programs, and special activities. Qualifications include ALA-accredited MLIS with experience in youth services, thorough knowledge of library issues and customer service standards, comprehensive understanding of youth development, children's collections and emerging trends. Equally important are excellent writing and interpersonal communication skills, the ability to delegate and supervise the work of subordinates and volunteers, and the ability to develop long-range plans.

Salary: Commensurate with experience. Please submit an application, resume, and supplemental questionnaire for this position.

Visit our website at [www.gmplibrary.org](http://www.gmplibrary.org) for employment application and other required documents.
