

From Wickliffe Public Library's Facebook page...

On Friday, April 14 the staff members of Wickliffe Public Library, Fairport Harbor Public Library and Kirtland Public Library for a joint staff development day at the Kirtland Senior Center. Sandra Tenkku, Community Outreach Specialist from the Lake County ADAMHS Board, spoke in the morning about mental health. Cheryl Kuonen, Director of the Mentor Public Library, spoke about the state budget and library funding. The day also included round table discussions, departmental meetings, and a pickleball demonstration. We are always striving to improve our service to our community. Continual training and collaboration are key in achieving this goal.
