January 19, 2024

The Delaware County District Library has openings for two (2) part-time, 24-hour per week, Information Technology Associates at our Delaware and Liberty Branch Maker Studio locations. The primary duties of these positions are to organize the Maker Studio and assist with the daily functions of the labs for groups and individual patrons.

These positions will work mornings, days, evenings, and weekends; however, the schedule may change as the needs of the Library change. These positions will be required to travel between Library locations, be required to participate in and attend periodic events and training, and will be required to perform other duties, as assigned. The pay range for these non-exempt positions is $17.36 - $26.03 per hour.

A High School diploma, or equivalency, is required; an Associate’s Degree or certification in relevant information technology is preferred. Basic computer skills and knowledge of computer equipment are required with digital/analog fabrication equipment preferred (i.e., laser cutters, 3D printers, sewing machines, graphic design, CAD software).

Please visit the careers page to learn more and to apply, at https://www.delawarelibrary.org/careers/.

Lastly, these positions will be open until filled, posted internally and externally, and will run concurrently.

The Delaware County District Library is an Equal Opportunity Employer.
