

Job opportunity

Worthington Libraries

Youth Services Librarian

We like costumes, cake and cat memes. We love people who would rather try something new and take a risk, than rely on the way things have always been. We want energetic colleagues who share both our likes and loves.

As a librarian, you'll be part of a hard-working, fun-loving group that jokes about our unofficial motto: "Teamwork makes the dream work!" It's in this team environment that you'll play a vital role in developing innovative services for children and teens. Your flexibility, creativity and enthusiasm are just what we need to create new programs, interact with families, share – let's be honest – amazing library resources and get kids excited about reading and learning. Get ready to be a role model!

Our award-winning library has been an important part of the community since its founding in 1803, and we're proud to combine traditional library services with the innovative. What do we offer? Lots of food and fun, plus a supportive culture that includes leadership and development opportunities. Join us as we work together to be the library our patrons deserve!
